Academies

Gibson Booth Huddersfield are experienced advisors to academies, acting for a number in the Yorkshire region. Our team have built up a good deal of knowledge about the issues facing both converting and established academies and aim to deal with all matters in a friendly, professional and pro-active manner.

Our services include:

- Annual statutory audit
- Accounts preparation
- Pension scheme audit
- VAT advice
- Corporate tax compliance
- Responsible officer/internal audit
- Accounting systems advice
- Internal controls advice
- Cashflow projections
- Budget assistance/business plans
- Company secretarial assistance
- Payroll administration

We offer an initial, no cost meeting at the academy's premises where we can discuss our services and how we can help, whether a school is considering conversion to an academy or already has converted. Please feel free to contact Alistair Russell on 01484 600234 or by email at alistair@gibson-booth.co.uk
